

Tennis Australia Community Officiating Program

Tennis Australia Officiating is proud to introduce you to our online learning program for club volunteers. An officiating presence greatly contributes to players feeling safe and matches being played fairly and in good spirit, resulting in increased enjoyment and player retention.

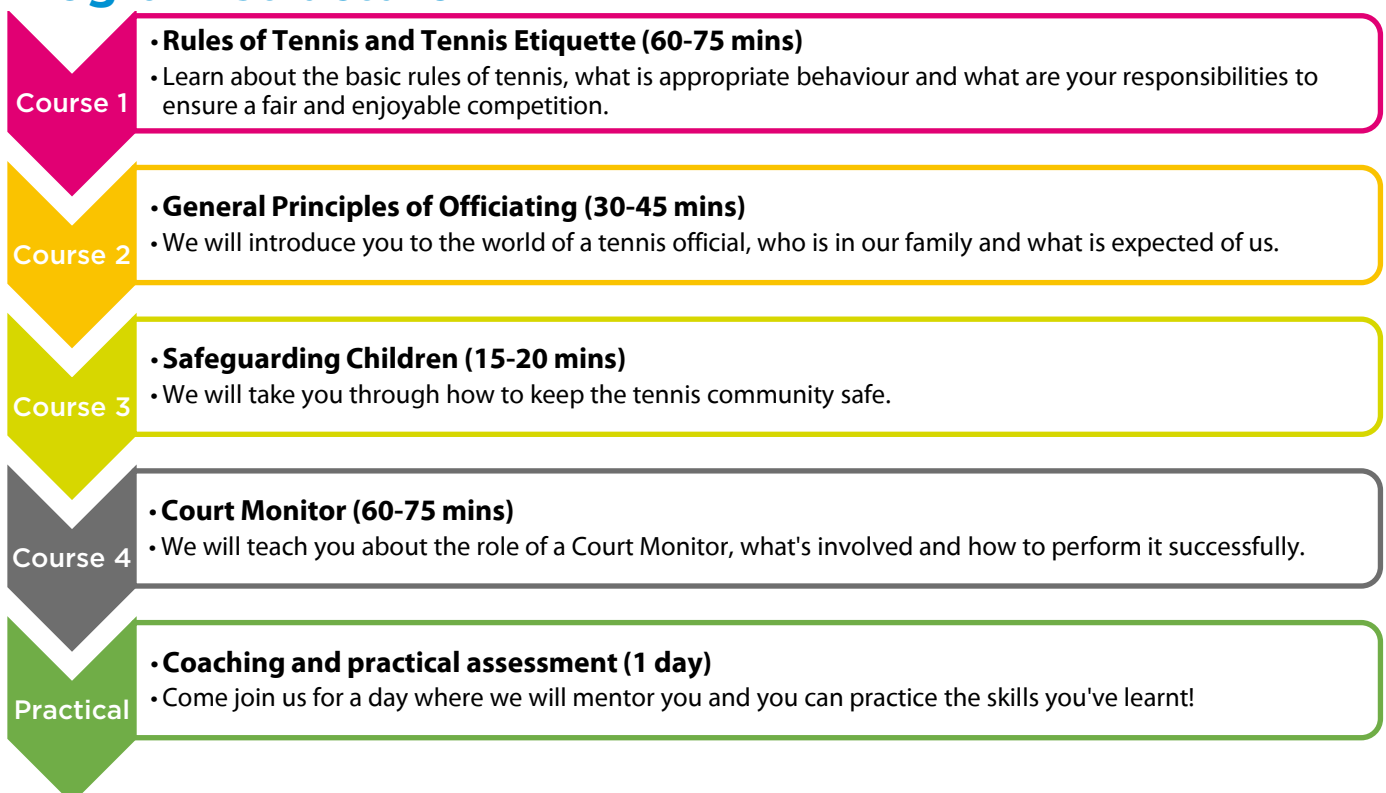

This initiative aims to improve education around the Rules of Tennis and basic officiating procedures. Interested participants can now learn the basics of officiating from the comfort of their own home and at their own pace.

Join us today by starting your journey and making a difference to the game we love!
